(CIA) Chief of Base (COB) of Irbil Base in Iraq, Christine Massowd "Ricochet", "Intentionally" using (Retaliatory Management Techniques) on me in the Main Area of Operations (AO) Theater of Iraq. While employed with MVM, Inc., on contract deployment of 23 AUG 2013 – 30 OCT 2013, at Irbil Base in the Main AO Theater of Iraq, on approximately Friday, 23 AUG 2013, upon arriving in country, I was told by my RC-1 Country Lead, "Pedro/Guapo", that the CIA COB Christine Massowd "Ricochet", had classified me as DNR (Do Not Return) to Irbil Base in Iraq, right after I was a "Whistleblower" to Criminal Activity and where I was recently promoted to the RC-1 Country Lead position, rotating with "Pedro/Guapo" after being (Wrongfully Terminated) from my C-1 Supervisor position at Sulaymaniyah Base. I was told by the CIA GRS V-1 "Marcus" that Christine Massowd "Ricochet" tried to (Wrongfully Terminate) me from the country and the "Program" all together, but he, CIA GRS V-1 "Marcus", stopped that from happening and sent me to another CIA Base in northern Iraq, Dahuk, and not home to the United States. SOC's Program Manager, Billy Conner, then came to Dahuk Base and told me that she wanted me fired. I never received another deployment with SOC Inc. after this. ITEM 34- On 02 OCT 2015, at Kabul Base Site "0" in Afghanistan, I delivered my Medical Record that I had just received from the CIA Psychologist "Westside", to Academi's Management RC-1 Country Lead "Shrapnel". He was not in his office so I left it on his desk. Upon locating "Shrapnel" in the DEFAC shortly after, I told him that I left my Medical Record on his desk. His response to me was "I'm not filing that". The fact that Academi's Management RC-1

Country Lead "Shrapnel" refused to "Accept" and "File" my Medical Record that I had just received from their Client, the CIA, is Further "Harassment" and "Retaliation", with Intent to Impede, Obstruct, or Influence my Case In-Bad-Faith.

ITEM 35- Picture taken on the morning of Sunday, 04 OCT 2015, from my front window inside my house at 5917 Big Horn View Street, North Las Vegas, Nevada 89031. This picture clearly shows two "2" Armed Police Officers standing across the street in front of my house with attention on my house. I was aware of this happening to my co-workers when they returned home from CIA deployments overseas. One of whom shot himself in the head killing himself. This is a very disturbing pattern of abuse, which caused me even more amount of fear, panic, terror, distress, anger, depression, social and emotional anxiety, pain, suffering, loss of sleep, loss of appetite, vomiting, high blood pressure, hair loss, acne, panic attacks, and toll on my overall health and safety. This "Criminal Act" is 18 U.S.C. § 113 (Assault with a Deadly Weapon), 18 U.S.C. § 1512 (tampering with federal witnesses), 18 U.S.C. § 1513 (retaliating against federal witnesses), 18 U.S.C. § 1503 (obstruction of pending federal court proceedings), 18 U.S.C. § 1505 (obstruction of pending congressional or federal administrative proceedings), 18 U.S.C. § 371 (conspiracy), 18 U.S.C. § 1113 (Attempt to Commit Murder), 10 U.S.C. § 2737, 28 U.S.C. § 1411, 26 U.S.C. § 104, [U.S.C. 10] 28 U.S.C. § 5001 (Attempt to Commit WRONGFUL DEATH), and (FEAR OF EARLY DEATH), and 18 U.S.C. § 1091 (Genocide), with the use of Illegal (Surveillance Techniques). I no longer felt safe with my neighbors in my community or with my Local Law Enforcement Authorities for fact that the "Intelligence Agency" was trying to make me kill myself so that I will no longer have a "Criminal" Case against them. (SEE ATTACHMENT)

ITEM 36- Picture taken on the morning of Sunday, 04 OCT 2015, from my rear window inside my house at 5917 Big Horn View Street, North Las Vegas, Nevada 89031. This picture clearly shows two "2" Police Officers standing in my rear yard right next to my rear window. The fact that my house was surrounded with Police Officers without them ever making any contact with me, made me take offense to these acts of attempting to initiate bodily harm towards me. I was aware of this happening to my co-workers when they returned home from CIA deployments overseas. One of whom shot himself in the head killing himself. This is a very disturbing pattern of abuse, which caused me even more amount of fear, panic, terror, distress, anger, depression, social and emotional anxiety, pain, suffering, loss of sleep, loss of appetite, vomiting, high blood pressure, hair loss, acne, panic attacks, and toll on my overall health and safety. This "Criminal Act" is 18 U.S.C. § 113 (Assault with a Deadly Weapon), 18 U.S.C. § 1512 (tampering with federal witnesses), 18 U.S.C. § 1513 (retaliating against federal witnesses), 18 U.S.C. § 1503 (obstruction of pending federal court proceedings), 18 U.S.C. § 1505 (obstruction of pending congressional or federal administrative proceedings), 18 U.S.C. § 371 (conspiracy), 18 U.S.C. § 1113 (Attempt to Commit Murder), 10 U.S.C. § 2737, 28 U.S.C. § 1411, 26 U.S.C. § 104, [U.S.C. 10] 28 U.S.C. § 5001 (Attempt to Commit WRONGFUL DEATH), and (FEAR OF EARLY DEATH), and 18 U.S.C. § 1091 (Genocide), with the use of Illegal (Surveillance Techniques). felt safe with my neighbors in my community or with my Local Law Enforcement Authorities for fact that the "Intelligence Agency" was trying to make me kill myself so that I will no longer have a "Criminal" Case against them. (SEE ATTACHMENT)

ITEM 37- Picture taken on the morning of Sunday, 04 OCT 2015, from my front window inside my house at 5917 Big Horn View Street, North Las Vegas, Nevada 89031. This picture clearly shows the two "2" Police Officers that were across the street have now come onto my front property and one of the officers is holding a weapon of some type, which I take offense to these acts of attempting to initiate body harm and being in the "line of fire". I have done absolutely nothing wrong to be treated this way by my Local Law Enforcement Authorities. They left my property without ever speaking with me leaving me feeling "Targeted" and "Assaulted". I was aware of this happening to my co-workers when they returned home from CIA deployments overseas. One of whom shot himself in the head killing himself. This is a very disturbing pattern of abuse, which caused me even more amount of fear, panic, terror, distress, anger, depression, social and emotional anxiety, pain, suffering, loss of sleep, loss of appetite, vomiting, high blood pressure, hair loss, acne, panic attacks, and toll on my overall health and safety. This "Criminal Act" is 18 U.S.C. § 113 (Assault with a Deadly Weapon), 18 U.S.C. § 1512 (tampering with federal witnesses), 18 U.S.C. § 1513 (retaliating against federal witnesses), 18 U.S.C. § 1503 (obstruction of pending federal court proceedings), 18 U.S.C. § 1505 (obstruction of pending congressional or federal administrative proceedings), 18 U.S.C. § 371 (conspiracy), 18 U.S.C. § 1113 (Attempt to Commit Murder), 10 U.S.C. § 2737, 28 U.S.C. § 1411, 26 U.S.C. § 104, [U.S.C. 10] 28 U.S.C. § 5001 (Attempt to Commit WRONGFUL DEATH), and (FEAR OF EARLY DEATH), and 18 U.S.C. § 1091 (Genocide), with the use of Illegal (Surveillance Techniques). I no longer felt safe with my neighbors in my community or with my Local Law Enforcement Authorities for fact that the "Intelligence Agency" was trying to make me kill myself so that I will no longer have a "Criminal" Case against them. (SEE ATTACHMENT)

ITEM 38- I received a letter dated Monday, 26 OCT 2015, by the Department of Labor stating they received a report of my injury I sustained on 02 OCT 2015 in Afghanistan. It states that my employer, "Academi" - Constellis Group, Inc. / Triple Canopy, or its insurance company, Star Indemnity / Gallagher Bassett Services, should pay for medical treatment required for my injury and if I lost more than three "3" days from work and sustained wage loss, my employer or its insurance company should pay me compensation for that lost time. It is Illegal for the United States CIA to get involved here as a 3rd party and intentionally block my right to compensation. (SEE ATTACHMENT)

ITEM 39- I received a Notice of Controversion of Right to Compensation dated Tuesday, 03 NOV 2015, by Teresa Martin, Senior Resolution Manager with Starr Indemnity / Gallagher Bassett Services, stating that my Entire Claim Is Controverted because of no evidence of a causally related accident or injury, and no medical to support a causally related injury, or compensable accident. I'm stating the truth In-Good-Faith that I was injured from being harassed in a warzone. The CIA's Medical Record of me in Afghanistan "Intentionally" In-Bad-Faith does not state the "cause of

my injury” and Academi’s Management RC-1 Country Lead “Shrapnel” In-Bad-Faith refused to “Accept” and “File” my Medical Record in Afghanistan, which I had just received from their Client, the CIA, therefore making my claim unbelievable. This “Criminal Act” of Notice of Controversion of Right to Compensation is 18 U.S.C. § 1031 (Federal Insurance Fraud), 18 U.S.C. § 201 (Corruption), 18 U.S.C. § 371 (Conspiracy), to include but not limited to 18 U.S.C. § 1113 (Attempt to Commit Murder), 10 U.S.C. § 2737, 28 U.S.C. § 1411, 26 U.S.C. § 104, [U.S.C. 10] 28 U.S.C. § 5001 (Attempt to Commit WRONGFUL DEATH) and (FEAR OF EARLY DEATH), and 18 U.S.C. § 1091 (Genocide) and (Oppression), which caused me even more amount of fear, panic, terror, distress, anger, depression, social and emotional anxiety, pain, suffering, loss of sleep, loss of appetite, vomiting, high blood pressure, hair loss, acne, panic attacks, and toll on my overall health and safety. (SEE ATTACHMENT)

ITEM 40- My Defense Base Act (DBA) Workman’s Compensation Contract with Academi Inc. which they “Criminally Breached” In-Bad-Faith since they are responsible for my Mental Injuries and Refuse to Approve my Medical and Wage Compensation. (SEE ATTACHMENT)

ITEM 41- I am a “Witness” to, and a “Victim of, the Defense Contractor Academi Inc. showing “Misconduct” and “Accomplice Liability” In-Bad-Faith by refusing to stop their Client, the United States CIA, from “Harassing” and “Retaliating” against me and (Aided and Abetted) in creating a hostile working environment (Torturing) then “Injuring” me. In addition, this (Conspiracy) cover-up with Intent to Impede, Obstruct, or Influence my Case used against me is a disturbing pattern of abuse and is cruel, inhumane, and degrading mistreatment which has caused my (Mental and Financial) “Injuries”, “Suffering”, and “Damages” to Further “Worsen”.

ITEM 42- On Saturday, 09 JAN 2016, my condition worsened when I fell into a (Deep-Shock) from “Extreme-Betrayal” causing me Further Severe Pain and Suffering from (Psychological and Emotional Abuse) and (Prolonged Mental Harm). I continue to suffer from my Mental Injury by constantly reliving the last 2.5 years when I was (Tortured) by my co-workers, the CIA and my employer Academi, and I’m now also suffering from (Deep-Shock) from “Extreme-Betrayal” from (Assault and Attempted Murder) from my local Las Vegas Law Enforcement and Intelligence Authorities and from Denial of my Workman’s Compensation, causing the feeling of my life collapsing in on me and (FEAR OF EARLY DEATH).

In addition, the fact that the CIA-OIG is refusing to use the law properly or get the jurisdiction it needs to charge those responsible for injuring me by deciding not to criminally charge any of these United States Citizens, the CIA-OIG puts me, the "Victim", in constant "Danger" and in "Fear of My Life", causing my (FEAR OF EARLY

DEATH) to "Worsen" Further since I am "Intentionally Denied" to have a Judge or Grand Jury issue Criminal Protection Orders against all subjects to prevent further victimization. (SEE ATTACHMENT)

This contributed to make my (Mental Injuries) Suffer and "Worsen" Further. In addition, I needed the money and I also no longer felt safe with my neighbors in my community or with my Local Law Enforcement and Intelligence Authorities for fact that the “Intelligence Agency” is trying to make me kill myself so that I will no longer have a “Criminal” Case against them. (SEE ATTACHMENT)

ITEM 71- On the very next day of Friday, 06 JAN 2017, the mass shooting at the Fort Lauderdale-Hollywood International Airport in Florida occurred. This event scared me because of my current Mental Injuries, the seriousness of my current situation, and how similar the shooter's interactions with the CIA and the FBI were to mine, which I then decided that I needed to get rid of the rest of my guns (.223 cal SBR 7" pistol and .308 cal AR10 20" rifle), both with 50 round drums, as soon as possible.

ITEM 72- On Saturday, 25 FEB 2017, I sold my last gun, .308 cal AR10 20" rifle, which cost me a total of \$4,000, to New Frontier Armory in North Las Vegas, Nevada, for \$800, to pay for future bills, but also because I did not want it to be used against me in any manner, especially since I'm currently trying to arrest top Government officials and I no longer felt safe with my neighbors in my community or with my Local Law Enforcement and Intelligence Authorities for fact that the "Intelligence Agency" is trying to make me kill myself so that I will no longer have a "Criminal" Case against them. After getting rid of my last gun and leaving the gun store, I continued on driving to do a few errands, like go to the grocery store. On my drive home from the grocery store, I was cut off erratically by a white car just before turning into the left turning lane to enter my neighborhood, that then drove right to my house and as I'm driving entering my driveway, this white car then stops in front of my house and the driver's side door opens and as the driver steps out I continue to enter my garage and then close my garage door. I take these Acts as (Assault) being "Offensive" and "Attempting" to initiate bodily harm. I then witness a black male and a white van with "We Install Carpets" written in big black letters on the side, both passing in front of my house a few times then returning to a neighbor's house at 5924 Big Horn View Street. Upon watching them from a window in my garage, these neighbors then say, "look, he's looking! He's scared! He's scared! Get him!" At which time I then witness one black male run from the house at 5924 Big Horn View Street to another neighbor's house at 5912 Big Horn View Street, which is \ just across the street from me. Within 20 minutes I then hear my side neighbor at 5913 Big Horn View Street, start up his Harley Davidson motorcycle and rev it very loud for a while. This all caught my attention very fast making me feel "Targeted" and "Fearful" of what might happen next. I then texted and then called Rob Sullivan, a Detective for North Las Vegas Police Department, who had been over to my house with Kris A. Miyasato, a Task Force Officer with the United States Federal Bureau of Investigations (FBI), asking him to come to my house for support. He later called me back and told me that he called his dispatch and reported the incident to them for me. (SEE ATTACHMENT)

ITEM 73- On Saturday, 25 FEB 2017, just hours after I turned in my last rifle, which only my Local Law Enforcement Authorities were aware of, in addition to them also knowing that I am currently very scared of my situation, I was a "Witness" to and a "Victim" of, my Local Las Vegas Law Enforcement and Intelligence Authorities using (Illegal Surveillance Techniques), leaking my Cell Phone Text Messages (in reference to my attached cell phone text messages with "Rob") and Witness to three "3" of my neighbors (Assaulting) me on Saturday, 25 FEB 2017. This is

a very disturbing pattern of abuse, which caused me even more amount of fear, panic, terror, distress, anger, depression, social and emotional anxiety, pain, suffering, loss of sleep, loss of appetite, vomiting, high blood pressure, hair loss, acne, panic attacks, and toll on my overall health and safety, causing my (FEAR OF EARLY DEATH) to "Worsen" Further. I no longer felt safe with my neighbors in my community or with my Local Law Enforcement Authorities for fact that the "Intelligence Agency" is trying to make me kill myself so that I will no longer have a "Criminal" Case against them. I texted my Clinical Consular, Mike Waller, with Healing Minds Behavioral Health Services, advising him of my desperate situation and he told me to call the police, which I had already did.

ITEM 74- Fourteen "14" pages of Text Messages I had with Rob Sullivan, (702)-354-4244, Detective with North Las Vegas Police Department, that shows he was aware of my situation, my Mental State, and the fact that I was trying to get rid of all of my guns (2 rifles and 2 pistols with over a thousand rounds of ammunition). These text messages were used against me by my Local Law Enforcement Authorities or the Intelligence Agency, because no other person was aware of my decision to get rid of my last gun or when I was going to do so except for Rob Sullivan. And the fact that three "3" of my neighbors had planned an "Assault Attack" on me just hours after I turned in my last gun is proof that my text messages were released to them somehow by the use of Illegal (**Surveillance Techniques**). ITEM 75- I received a letter of Notice dated Monday, 13 MAR 2017, from the Civil Rights Division to the Criminal Section of the United States Department of Justice, stating that my (War Crimes) and (Obstruction of Justice) Case is not the type of case that office prosecutes. In addition, this conspiracy cover-up used against me In-Bad-Faith is a disturbing pattern of "Abuse of Authority" and "Degrading Mistreatment", and the fact that the Civil Rights Division to the Criminal Section of the United States Department of Justice is refusing to use the law properly or get the jurisdiction it needs to charge those responsible for injuring me by deciding not to criminally charge any of these United States Citizens, the (Civil Rights Division-DOJ), (HRSP-DOJ) and the (CIA-OIG), All puts me, the "Victim", in constant "Danger" and in "Fear of My Life", causing my (FEAR OF EARLY DEATH) to "Worsen" Further since I am "Intentionally Denied" to have a Judge or Grand Jury issue Criminal Protection Orders against all subjects to prevent further victimization. (SEE ATTACHMENT)

ITEM 76- I received a letter of Notice dated Wednesday, 12 APR 2017, from the State of Nevada Senate Regional Representative Bradley Sensibaugh, with the United States Congress, stating that there are no further avenues for him to assist with me at this time. Included is the response from Acting Assistant Attorney General T. E. Wheeler II, with the Civil Rights Division to the Criminal Section of the United States Department of Justice, stating that they do not

have jurisdiction over the “Criminal” activities of the of the CIA or associated defense contractors. This constitutes to 18 U.S.C. § 73 (Obstruction of Justice), 18 U.S.C. § 2383 (Rebellion and Insurrection), 18 U.S.C. § 2384 (Seditious Conspiracy), 18 U.S.C. § 2382 (Misprision of Treason), and 18 U.S.C. § 1341 (Federal Interstate Mail Fraud). In addition, this conspiracy cover-up used against me In-Bad-Faith is a disturbing pattern of “Abuse of Authority” and “Degrading Mistreatment”, and the fact that the United States Congress is refusing to use the law properly or get the jurisdiction it needs to charge those responsible for injuring me by deciding not to criminally charge any of these United States Citizens, the (United States Congress), (Civil Rights Division-DOJ), (HRSP-DOJ) and the (CIA-OIG), All puts me, the “Victim”, in constant “Danger” and in “Fear of My Life”, causing my (FEAR OF EARLY DEATH) to “Worsen” Further since I am “Intentionally Denied” to have a Judge or Grand Jury issue Criminal Protection Orders against all subjects to prevent further victimization. ITEM 77- On Thursday, 20 APR 2017, I received a Physician Statement from Dr. Craig Weingrow, M. D., in Las Vegas, Nevada, (877) 391-4372, reinstating for a second year of his approval of the use of marijuana as medicine to help reduce my symptoms from PTSD and Panic Attacks and help in controlling my Anger and Mood Swings. As a Roman Catholic male who was fighting in a Warzone in the Name of My [GOD],

[Jesus Christ], and being His Holiness' most obedient and humble servant, I then Must Profess Myself with the most Profound Respect and Honor, to ask His Holiness to please Pray for me and to please Forgive them for serving the Enemy State. (SEE ATTACHMENT)

ITEM 81- In Mid MAY 2017, the Turley Law Firm and the Defense Attorney Robert N. Popich for the Starr Indemnity and Liability Company, c/o Gallagher Bassett Services, asked me to do an Independent Medical Examination for my (DBA) Workman's Compensation Case. I advised both parties that I needed an additional two "2" weeks or a month to "Calm Down" since they waited In-Bad-Faith to do this Independent Medical Examination one "1" (whole) year after my Deposition in this case, causing my "Suffering" to "Worsen" (Significantly) Further, which constitutes to Additional (Persecution) and (Oppression). In addition, I kept asking the Turley Law Firm for a Hearing Date over and over again for the past year with not even a call back. I also wrote and asked the Department of Justice, the President of the United States of America, and the United States Congress Demanding a Hearing Date Immediately, with not even a response. I did the Independent Medical Examination in the following two "2" weeks at the beginning of JUN 2017, and then ask the Turley Law Firm for that Doctor's Report from his examination of me and for a Hearing date on that same day and they told me that they would be in touch. After that another two "2" months passed by with no call back or even a response. All the front office for the Turley Law Firm told me was that they are too busy to speak with me. I never received that Independent Medical Examination Report from them. In addition, I never received a Hearing Date after waiting nearly two "2" years In-Good-Faith after starting this Federal Insurance Fraud (SCAM) Process.

ITEM 82- I received Copy of a Judgment by Default dated Tuesday, 06 JUN 2017, against me by Discover Bank in the Eighth Judicial District Court for Clark County, Nevada, in the amount of \$21,146.27 for "Enrichment". This caused me even more amount of fear, panic, terror, distress, anger, depression, social and emotional anxiety, pain, suffering, loss of sleep, loss of appetite, vomiting, high blood pressure, hair loss, acne, panic attacks, and toll on my overall health and safety, causing my (FEAR OF EARLY DEATH) to "Worsen" Further. The State of Nevada is part of the United States of America, which is "CLASSIFIED" in My (WAR TREASON) Complaint as a **(Unlawful Unprivileged War Belligerent)** to **(Unlawful Unprivileged Combatants)** of an (International Conflict), which **(International Law)** "Indicates" the Status of "Nevada" as being, (a "**Rebellion**" against a "Constituted Authority" governed by the **(Law of War)**). In addition, the fact that the Civil Rights Division to the Criminal Section of the United States Department of Justice is refusing to use the law properly or get the jurisdiction it needs to charge those responsible for injuring me by deciding not to criminally charge any of these United States Citizens, the UNITED STATES DEPARTMENT OF JUSTICE puts me, the "Victim", in constant "Danger" and in "Fear of My Life", which caused me even more amount of fear, panic, terror, distress, anger, depression, social and emotional anxiety, pain, suffering, loss of sleep, loss of appetite, vomiting, high blood pressure, hair loss, acne, panic attacks, and toll on my overall health and safety, causing my (FEAR OF EARLY DEATH) to "Worsen" Further since I am "Intentionally Denied" to have a Judge or Grand Jury issue Criminal Protection Orders against all subjects to prevent further victimization. ITEM 85- In JUL 2017, I had to sell my final vehicle, my 2005 Mercedes Benz SL 55 AMG Roadster to help pay for my living expenses due to (Federal Insurance Fraud). This then left me with no vehicle and walking on foot where I no longer felt safe with my neighbors in my community or with my Local Law Enforcement Authorities for fact that the "Intelligence Agency" was trying to make me kill myself so that I will no longer have a "Criminal" Case against them, which caused me even more amount of fear, panic, terror, distress, anger, depression, social and emotional anxiety, pain, suffering, loss of sleep, loss of appetite, vomiting, high blood pressure, hair loss, acne, panic attacks, and toll on my overall health and safety, causing my (FEAR OF EARLY DEATH) to "Worsen" Further.
